Following the acquisition of Commerz Funds Solutions S.A. (renamed Lyxor Funds Solutions S.A. in October 2019) and Commerzbank AG’s UCITS exchange-traded funds (“**ETF**”) franchise by Lyxor International Asset Management on 27 May 2019, it has been decided to harmonize the ranges of products offered by Lyxor Funds Solutions S.A. and Lyxor International Asset Management.

Such harmonization aims, inter alia, to deliver a focused and enhanced UCITS ETF range, through funds mergers.

Within this context, the Board of Directors of Multi Units Luxembourg (the “**Company**”) hereby informs Shareholders that it has resolved in circular resolutions dated 19 November 2019 to proceed, in the best interest of Shareholders, with the following merger between:

**Lyxor FTSE 100 UCITS ETF** (ISIN code: LU1650492256) a sub-fund of **MULTI UNITS LUXEMBOURG**, *société d’investissement à capital variable* incorporated under the laws of the Grand Duchy of Luxembourg, having its registered office at 28-32, place de la Gare, L-1616 Luxembourg, registered with the Luxembourg Trade and Companies Register under number B 115 129 (the “**Receiving Sub-Fund**”) and having Lyxor International Asset Management with registered office at 17 cours Valmy, Tour Société Générale, 92800 Puteaux, as its management company (“**LIAM**”),

and

**ComStage FTSE 100 UCITS ETF** (ISIN code: LU0488316216), a sub-fund of COMSTAGE, *société d’investissement à capital variable* incorporated under the laws of the Grand Duchy of Luxembourg, having its registered office at 22, Boulevard Royal, L-2449 Luxembourg, registered with the Luxembourg Trade and Companies Register under number B 140 772, (the “**Merging Sub-Fund**”); the Receiving UCITS has also designated Lyxor Funds Solutions S.A. with registered office at 22, Boulevard Royal, L-2449 Luxembourg, as its management company (“**LFS**”);

hereinafter referred to as the “**Merger**”.

The Merging Sub-Fund and the Receiving Sub-Fund will hereinafter be together referred to as the “**Merging Entities**”.

## 1 – IMPACT ON SHAREHOLDERS

The Merging Entities have the same investment objective which is to track the upward and the downward evolution of the “FTSE 100 Total Return Index” (the “**Index**”), whether positive or negative, while minimising the tracking error between their performance and that of their Index.

Other characteristics of the Merging Entities, as described in their prospectus and in the key investor information document (“**KIID**”), are not identical but will share a number of characteristics in common. For any differences between the Merging Entities, please refer to prospectus and KIID of the Merging Entities.

**Characteristics of the Receiving Sub-Fund will remain the same after the Effective Date.**

## 2 – SPECIFIC RIGHTS OF SHAREHOLDERS

Unless shareholders of the Merging Sub-Fund decide otherwise, as from the Effective Date, shares of the Merging Sub-Fund will automatically be converted into shares of the Receiving Sub-Fund. Shareholders will thus participate in any increase in the net asset value of the Receiving Sub-Fund.

The shares to be issued in the Receiving Sub-Fund in exchange for Shares of the Merging Sub-Fund will not be subject to any charge, be without par value and will be in registered form (the “**New Shares**”). The total value of the New Shares will correspond to the total value of the shares held in the Merging Sub-Fund. As the net asset value per share of the Merging Sub-Fund and that of the Receiving Sub-Fund on the business day before the Effective Date (the “**Merger Date**”) will not be the same, while the overall value of holdings will remain the same, Shareholders of the Merging Sub-Fund will receive a different number of shares in the Receiving Sub-Fund than they had previously held in the Merging Sub-Fund.

LIAM will provide Shareholders, upon request, with (i) additional information regarding the Merger, (ii) a copy of the report of the *réviseur d'entreprises agréé* (approved statutory auditor), and (iii) a copy of the common terms of merger, free of charge.

## 3 – PROCEDURE AND EFFECTIVE DATE OF THE MERGER

The Merger shall become effective between the Merging Entities and towards third parties on July 3, 2020 (the “**Effective Date**”).

On the Effective Date, the assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund by way of a contribution in cash of the Merging Sub-Fund into the Receiving Sub-Fund.

The approved statutory auditor of the Merging Sub-Fund will be appointed and will validate, in accordance with Article 71(1) of the 2010 Law, the criteria adopted for the valuation of the assets and liabilities, the calculation method of the exchange ratio and the actual exchange ratio determined on the Effective Date as of the Merging Date.

The fund administrator for the Receiving Sub-Fund will be responsible for calculating the exchange ratio and allocating the shares in the Receiving Sub-Fund to the Shareholders of the Merging Sub-Fund.

Pursuant to Article 74 of the Law of 17 December 2010, any legal, advisory or administrative costs associated with the preparation and execution of the Merger are not borne by the Merging Sub-Fund, the Receiving Sub-Fund or their shareholders.
